Al's Hogwarts Adventures

"Alâ€¦..Al breakfast is ready" called Al's mother from down stairs. Al opened his eyes dreadingly and jumped down from his bunk bed.

"_Uggggâ€¦what's today" _he thought. "Oh waitâ€¦..today we go back to Hogwarts!" he shouted.

"Hey dumb butt, some of us are trying to get ready" said Al's brother John. Al ignored him and got into some suitable cloths. When he was ready he went down stairs. He saw his older and younger sister already sitting at the table eating breakfast.

"Morning Al" said Al's older sister Penny.

"Morning Penny" replied Al sitting at the table. Al grabbed his fork and started eating his eggs. John walked down the stairs yawning and sitting at the table.

"Ok Garners here's the plan for today" said Al's dad Drake. "Were going to finish packing take the floo system to Diagon Alley and meet up at the ice cream parlor when you're done shopping." Everyone nodded and continued eating. Al's little sister put up her plate and put it in the sink. She skipped up stairs excited that it would be her first year at Hogwarts. Al finished his breakfast lightning fast and put his plate in the sink and ran back up stairs.

"Some one seems excited huh mom" said Penny.

"Yep he does seem happy" replied Al's mom Lucy. Al put plies of cloths and books in his trunk. He also threw in papers and homework papers. He closed his trunk and put it in front of the fire place. His little sister was already down there petting there dog Blaze.

"Good dog Blaze" said Julie petting his head. Penny came into the room next and then followed by John.

"Alright kids ,ready" asked Al's mom.

"Yeah" they all said.

Al stepped into the fireplace first at took some floo powder in his hand. "Diagon Alley" he said. He was engulfed in emerald green fire. He went through a colorful tunnel and it felt like it was pulling his skin off. He ended up in Diagon Alley just as he asked.

"Hey Al" said Al's friend Phoenix.

"Hey Phoenix what's up" asked Al walking towards her.

"Nothing much just buying the new text books and robes" exclaimed Phoenix.

"Same, hey want to shop together" asked Al.

"Sure lets go" said Phoenix. Phoenix and Al walked into the robe's store and bought all new Gryffindor robes. They walked out and made there way down the cobblestone street to buy all new textbooks and quills. They both walked out with piles of books and all new packs of quills.

"Reducio" said Al pointing his wand at their books. The books shrunk and they put the books in their pockets. They both walked over to Weasley's Wizard Wheezes. The store was run by the original owners (Fred and Georges) great great grand kids who also happen to be twins. They bought some trinkets and candies that "accidently" made Lilia break out in pimples.

"Hey over hear" said John motioning towards Al.

"Hey Phoenix I got to go see you on the train" said Al.

"Okay see yah later" said Phoenix.

"Hey honey did you get all the things you needed for school" asked Al's mom.

"Yeah mom I did" replied Al.

"Good well eat your ice cream before it melts" Al began eating his ice cream and started longing to be back on the Hogwarts Express.
